#### Important Notes & Disclaimers

**PRUMy Diabetes Care** is a package offered using **PRUWith You** as the basic plan. Please note that the package here consists of components that can be bought separately and you are not obligated to select all components of this package. You may apply for other riders not listed under **PRUMy Diabetes Care** by applying for coverage with us via **PRUWith You**. **PRUWith You** is a regular premium investment-linked insurance plan underwritten by Prudential Assurance Malaysia Berhad ("PAMB") (107655-U) which is licensed under the Financial Services Act 2013 and is regulated by Bank Negara Malaysia. You should satisfy yourself that this policy will best serve your needs and that the premium payable under the policy is an amount that you can afford. To achieve this, we recommend that you speak to your agent or Wealth Planner who will perform a needs analysis and assist you in making an informed decision. You may also contact the insurance company directly for more information. This leaflet contains only a brief description of the product and is not exhaustive. You are advised to refer to the Product Disclosure Sheet, Sales Illustration, Fund Fact Sheet(s), and the consumer education booklet on Life Insurance, Investment-Linked Insurance, and Medical and Health Insurance for further information before purchasing a policy, and to refer to the terms and conditions in the policy document for details of the features and benefits under the policy. You can surrender the policy at any time. However, if you terminate the policy in the early years, you may get back less than the amount you have paid in. Upon surrender, a surrender value will be payable and all the benefits under this plan will be terminated. Whilst PAMB has taken all reasonable care to ensure that the information contained in this presentation is true and not misleading at the time of publication, we cannot guarantee its accuracy or completeness. Any opinion or estimate contained in this presentation is subject to change without notice. Any age reference shall be on the basis of Age Next Birthday. The cost of insurance chargeable for the Medical and Health Insurance (MHI) products are illustrated in PAMB's corporate website. If there is any conflict or inconsistency between the English language, Malay language and Chinese language versions of this leaflet, the English language version of this leaflet shall prevail and be given effect to.

Listening. Understanding. Delivering.

PRUMy Diabetes Care is an insurance solution using PRUWith You as the basic plan and offers the following coverage to meet your needs:

Coverage	Glycated hemoglobin (HbA1c) - Average blood glucose level over the past 2 to 3 months		
	HbA1c ≤ 6.0%	6.0% < HbA1c ≤ 7.0%	7.0% < HbA1c ≤ 8.0%
Death & Total and Permanent Disability (TPD) <sup>(1)</sup>	Protect you and your loved ones in the event of death or TPD <sup>(1)</sup> using PRUWith You		
Critical Illness	Crisis Care and Crisis Guard both provide coverage in the event of the occurrence of selected Critical Illnesses. Among the conditions covered are kidney failure, blindness, stroke, and even cancer		
Medical (High Deductible)	Enjoy NO annual and lifetime limits with PRUValue Med	Not available	
	Deductible RM20,000 Room and Board RM200 MVP <sup>(2)</sup> RM1 million	Deductible RM50,000 Room and Board RM200 MVP <sup>(2)</sup> RM1 million	

Note:

<sup>(1)</sup>TPD coverage is available before the policy anniversary date of age 70 of the insured life concerned.

<sup>(2)</sup>MVP refers to Med Value Point. Claims on eligible benefits will be payable in full (subject to Deductible) up to the MVP. If the total accumulated eligible claims paid exceed the MVP, we will still provide continuous coverage up to the expiry age by paying 80% of the excess eligible benefit cost.

•Payor Basic and Payor Saver which will pay for the Insurance Premium and Investment Premium respectively throughout the rider term upon diagnosis of TPD or critical illness of the insured life are also attachable.
